Ron Davis Racing Products
Custom Aluminum Radiators

Custom Part Manufacturing Agreement

We would like to thank you for selecting Ron Davis Racing Products to build your custom part (s). Before we begin your order, please read and sign this Custom Part Manufacturing Agreement.

Design

We will manufacture your custom part to the best of our ability drawing from our many years experience. All custom parts are built to the design agreed upon between you and Ron Davis Racing Products. Due to the unique one of a kind nature of your part(s), it is important we are provided complete and accurate information. We are building your part based on this information.

Quotes

Price is based on time and materials. Quotes are only estimates; the actual completed part cost may vary by not more than 5% from the amount quoted. Quotes are good for 30 days after they are issued. Any alterations or deviations from the specifications involving extra cost will result in an extra charge over and above the estimate. A re-order of a previously made custom part is subject to a re-quote.

Payment and Shipping

All custom made parts require a 50% non-refundable deposit. If you pay your deposit by personal or company check, we will not start manufacturing until our bank confirms that the funds have cleared and are available in our account. The balance must be prepaid prior to shipping. If you pay the balance by personal or company check, we will not ship your part until our bank confirms that the funds have cleared and are available in our account.

All items are F.O.B. Glendale Plant Dock. UPS stops at our plant Monday through Friday and is our preferred carrier.

Drawings and or Templates

Your custom-made part is made from the drawing(s) with measurements, template or a combination of the two, supplied by you. Our development shop may generate blue prints of your part for use in our various manufacturing departments to work from. The drawing(s) may need to be sent back and forth to get all necessary information. Prior to manufacture, the final drawing(s) must be approved by the customer and Ron Davis Racing Products.

Time Frame

Your custom made part is made for you, to your specifications through our manufacturing process. Due to the uniqueness of your part, it can take some time to manufacture. We make every effort to complete your part by the estimated date, but unforeseeable circumstances may result in delays.

Returns

There are no returns on custom-made parts. Design problems or modification after the customer has received the part, are the sole responsibility of the customer.

Technical Advice and Warranty

If asked for technical advice, Ron Davis Racing Products endeavors to give each customer advice that represents our best judgment under the circumstances. Ron Davis Racing Products does not warrant this advice, nor does Ron Davis Racing Products warrant that its products are fit for any particular purpose. Products are sold "AS IS" and used at customer's sole risk.
